

# I believe!

If you have never believed in Jesus Christ as your Savior, take a moment now to know that God the Father loves us and sent His Son, Jesus Christ, down from heaven to become a man to pay the penalty for all of our sins and not only ours but for the sins of the whole world. He was without sin and He paid the price for everyone's sins on the cross. After that He was buried in a tomb and then rose again from the dead. If you believe in Jesus, you will spend eternity with God in heaven forever and no one can snatch you out of God's hands! This is God's TRUTH.

*John 3:16 "For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life."*

Luke 8:11-15 Now the parable is this:  
the seed is the word of God....

---

This parable points out the different ways people respond to the word of God. There are these hurdles: the Gospel; affliction and persecution; worries, riches and pleasures of life. There is the step or decision point of hearing and believing the Gospel (Luke 8:12). Then there is the step or decision point of handling affliction, persecution, and exercising faith in the word of God. (Luke 8:13). Then there is the step or decision point of facing worries, riches, and pleasures (Luke 8:14). At every step there is a hurdle. The word of God, His promises, will be at every hurdle!

In order to clear each hurdle, we need to receive the word of God with a humble heart, believe it, and guard it with all our strength. If we do this, we'll be running in faith and grace with confidence! We'll be able, through God's power, to jump the hurdles! God's great desire is that we leap over each and every one by believing His promises about what awaits on the other side of the hurdle - our Lord and Savior, Jesus Christ! More joy!

We each have a certain lane in which we are to run and jump our hurdles. The power to do this is right inside of you and me. It is the power of the Holy Spirit and God's word, Bible doctrine. Let God take you over the hurdles!
