

I believe!

If you have never believed in Jesus Christ as your Savior, take a moment now to know that God the Father loves us and sent His Son, Jesus Christ, down from heaven to become a man to pay the penalty for all of our sins and not only ours but for the sins of the whole world. He was without sin and He paid the price for everyone's sins on the cross. After that He was buried in a tomb and then rose again from the dead. If you believe in Jesus, you will spend eternity with God in heaven forever and no one can snatch you out of God's hands! This is God's TRUTH.

John 3:16 "For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life."

Galatians 5:16 But I say [from now on], walk [keep on walking] by [means of] the Spirit, and you will not [no, never!] carry out the desire of the flesh.

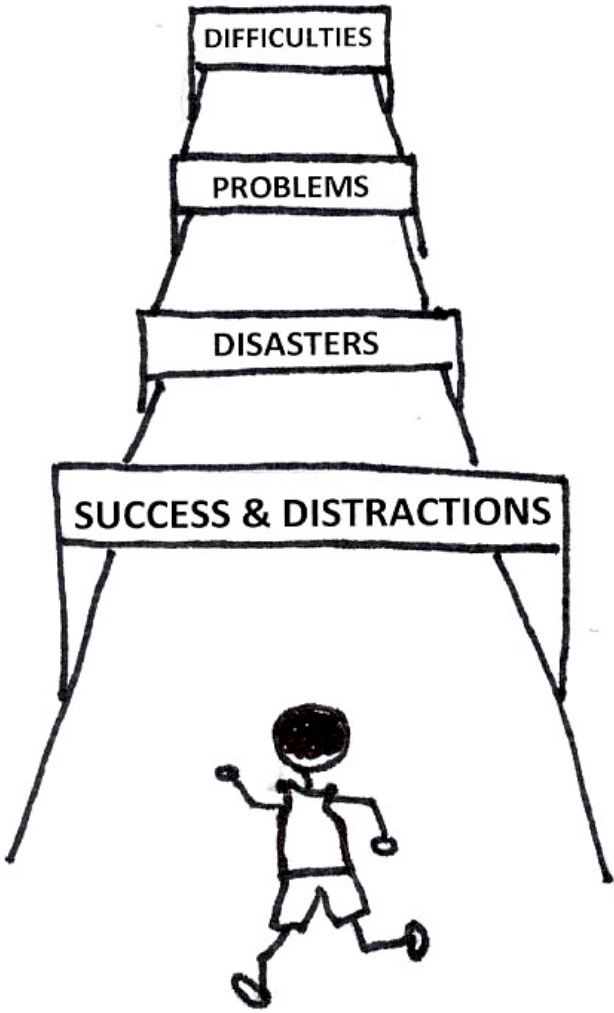

1 Timothy 6:11-12 But flee from these things [arguments, envy, love of money, etc.] you man of God, and pursue righteousness, godliness [spiritual life], faith, love, perseverance and gentleness.

Lesson #16 - Walk, Flee, Pursue.

We are given the command to "walk by [means of] the Spirit". Walking means making forward progress. Left step, right step, left step, right step. It means we have balance, stability and consistency. In the spiritual life it has to be done by means of the Holy Spirit and the word of God. They provide the balance, stability and consistency. This walking involves ongoing acts of faith. We have to keep believing the promises of God and walking by means of the Holy Spirit! If we do that, we are given the promise, "you will not carry out the desires of the flesh". In this scripture, "walk" is a command for a lifestyle for each believer. If we are walking by the power of the Holy Spirit, we can't at the same time be living in the desires of our old sin nature. Impossible!

In our walk, we are to flee, or run away as fast as possible from things that are not divine thinking. We are to pursue, or run as fast as possible toward things that are divine thinking. We are to pursue this thinking with lots of energy and with a definite purpose or goal.

Our purpose is to jump our spiritual hurdles through the power of the Holy Spirit and bring glory to Jesus Christ! What a privilege and a great purpose!
