Week 1

What does “security” mean? What does it mean to be secure? Give a couple of examples.

What aspects of your life would you say are secure? Could anything change that?

What are you (or people generally) insecure about? Why?

How about your relationship with God? How secure is that?

What would you be like if you thought that your relationship with God was insecure?

Eternal security is usually defined in terms of salvation. What is Salvation?

Consult the following scripture passages:

Rom 6:22-23; Eph 2:1-10; 1Ti 1:5.**

What are we saved from?

What are we given instead?

What do we contribute to our salvation?
